

Form CE-200 (12/08)

Effective December 1, 2008, please use the following revised Form CE-200 as part of the enforcement of Section 57 and Section 220 of the New York State Workers' Compensation Law and Section 125 of the General Municipal Law (Form CE-200 replaces the old forms WC/DB-100, WC-DB-101 and C-105.21.):

Form CE-200, Certificate of Attestation For New York Entities With No Employees And Certain Out Of State Entities, That New York State Workers' Compensation And/Or Disability Benefits Insurance Coverage Is Not Required

This certificate can **ONLY** be used to attest to a government entity that the applicant requesting a permit, license or contract from that government entity is not required to carry New York State specific workers' compensation and/or disability benefits insurance.

IMPORTANT: *These certificates cannot be used to waive the workers' compensation rights or obligations of any party.* The applicant may **NOT** use this certificate to show either another business or that business's insurance carrier that such insurance is not required.

If appropriate, the applicant requesting a permit, license or contract from a government entity must complete Form CE-200, print a copy of it and give it to the **government entity** issuing the permit, license or contract.

The Board may investigate entities using this certificate to claim exemption from the coverage requirements of the Law. Any false statement, misrepresentation or concealment will subject business owners to **felony** criminal prosecution, including jail and civil liability in accordance with the Workers' Compensation Law and all other New York State laws.

Form CE-200 reflects a totally new process for granting exemptions from workers' compensation and disability benefits insurance coverage requirements. Historically, the WC/DB-100 exemption forms were: 1) valid for multiple permits, licenses or contracts for which the applicant applied, 2) had to be notarized, and 3) had to be stamped by the New York State Workers' Compensation Board.

Effective December 1, 2008, this process radically changes. **Exemptions** will no longer be valid for multiple permits, licenses or contracts for which the applicant applied. Further, exemptions no longer have to be notarized; nor do they have to be stamped by the NYS Workers' Compensation Board. (Please note that **government agencies may continue to use insurance and Self-Insurance certificates** for multiple permits, licenses or contracts issued to a specific legal entity during the coverage period listed on insurance/self-insurance related certificates).

Starting December 1, 2008, **ONLY** applicants eligible for **exemptions** must file a **new CE-200 for each and every** new or renewed permit, license or contract issued by a government agency. Each CE-200 will specifically list the issuing government agency and the specific type of permit, license or contract requested by the applicant. Applicants for building permits will also need to supply additional information including identifying the specific job location and the estimated cost of the project.

Please ensure that the legal entity name on Form CE-200 exactly matches the legal entity name applying for the permit, license or contract that you are issuing. Please also ensure that Form CE-200 is signed and dated by the applicant.

Each CE-200 will have a certificate number printed on it. You can verify if the CE-200 provided to you by the applicant was actually issued by the Workers' Compensation Board by checking on the Board's website at www.wcb.state.ny.us.

The applicant is attesting under penalty of perjury that the information contained in the CE-200 is accurate – the Board does not initially verify this information. However, Board staff may investigate applicants filing Form CE-200.

Accordingly, please also verify that the business is eligible for the workers' compensation and/or disability benefits exemption reason described on the CE-200 and notify the Board's investigative staff if there are discrepancies (Board Enforcement Unit phone numbers are listed on page 11 of the instruction manual). For example, if you are licensing a 150 seat restaurant and the applicant indicates on the CE-200 exemption form that he/she is a sole proprietor with no employees, this may indicate a problem.

To make this process as easy and as efficient as possible for business owners, the vast majority of these forms will be processed electronically on-line. Applicants having access to the internet will be able to fill out the CE-200 on the internet and **immediately** upon completion, **be able to print out a hard copy of the CE-200** that they will then submit to the government agency issuing the permit, license or contract. Computers with internet access will also be available for CE-200 electronic application processing at Customer Service Centers located in Workers' Compensation Board District Offices.

Filling out the electronic Form CE-200 on the internet is very similar to filling out a hotel reservation request on the internet for frequent travelers. Applicants will be issued a pin number and a password so that they can easily access their information. Once an applicant enters his/her basic information on the Board's website, it can be retrieved by that applicant in the future by using that pin number and password when the applicant is applying for another permit, license or contract.

Applicants without access to a computer may obtain a paper application for the CE-200 by writing or visiting the Customer Service Center at any District Office of the Workers' Compensation Board. Applicants using the manual process may wait up to four weeks before receiving a CE-200. Once the applicant receives the CE-200, the applicant can then submit that CE-200 to the government agency from which he/she is getting the permit, license or contract. This delay results from Workers' Compensation Board staff having to manually enter information from the applicant's paper application into the web based application. Accordingly, to avoid delays, all applicants for exemptions are strongly encouraged to use the on-line Form CE-200 on the Board's website, www.wcb.state.ny.us, under the heading "Forms."

Please note that **for building permits ONLY**, certain homeowners of 1, 2, 3 or 4 family owner-occupied residences serving as their own General Contractor may be eligible to file Form .BP-1. (The homeowner obtains this form from either the Building Department or on the Board's website, www.wcb.state.ny.us, under the heading "Forms.")

Owner-occupied Residences

Homeowners of a 1, 2, 3, or 4 Family, Owner-occupied Residence, must file form BP-1(9/07) when applying for a building permit when they are:

- listed as the general contractor on the building permit, and the homeowner:
 - is performing all the work for which the building permit was issued him/herself,
 - is not hiring, paying or compensating in any way, the individual(s) that is (are) performing all the work for which the building permit was issued or helping the homeowner perform such work, or
 - has a homeowner's insurance policy that is currently in effect and covers the property for which the building permit was issued AND the homeowner is hiring or paying individuals a total of less than 40 hours per week (aggregate hours for all paid individuals on the jobsite) for the work for which the building permit was issued.

- If the homeowner of a 1, 2, 3, 4 Family, Owner-occupied Residence is hiring or paying individuals a total of 40 hours or MORE in any week (aggregate hours for all paid individuals on the jobsite) for the work for which the building permit was issued, then the homeowner may NOT file the "Affidavit of Exemption" form, BP-1 (9/07), but must either:
 - acquire appropriate workers' compensation coverage and provide, to the government entity issuing the building permit, appropriate proof of that coverage, on forms C-105.2 or U-26.3, OR
 - have the general contractor performing the work provide appropriate proof of workers' compensation coverage, or proof of exemption from that coverage, to the government entity issuing the building permit.

Background on Coordinating the Implementation of Section 125 of the General Municipal Law with Existing Statutes

To ensure that homeowners are not required to have duplicate workers' compensation coverage, the implementation form attempts to coordinate compliance with Section 125 of the Municipal Law with coverage provided under Section 3420(j) of the Insurance Law, which is the homeowner's policy's workers' compensation insurance rider.

As of March 1, 1985, New York State Insurance Law § 3420(j) provides that every policy of comprehensive personal liability insurance (i.e., homeowner's insurance) on a 1, 2, 3, or 4 Family owner-occupied dwelling (including condominiums) will also provide workers' compensation benefits. This section was added to protect the homeowner from unexpected liability when the Board determines that a person, whom the homeowner did not believe required coverage, is found to be entitled to benefits. To receive benefits under this policy, the employee must be found by the Board to have been injured in employment of the policyholder and employed for less than 40 hours a week in and about the owner's 1, 2, 3, 4 family residence in this State.

Form BP-1, (9/07) is available on the Board's website, www.wcb.state.ny.us, under the heading "Forms." Please make as many copies of the BP-1 (9/07) as you require. The BP-1 form reflects the minimum standard to be applied statewide. If a municipality wishes to collect a copy of the certificate of insurance from a building permit applicant's homeowner's insurance policy or obtain a copy of the information page from the building permit applicant's homeowner's insurance policy, the municipality could make that a local requirement which would be in addition to the State requirement.

If you have any questions regarding the BP-1 form, Section 125 of the General Municipal Law or Section 57 of the Workers' Compensation Law, please contact Steve Carbone of the New York State Workers' Compensation Board at (518) 486-6307.

Thank you for your office's cooperation in enforcing Section 125 of the General Municipal Law and Section 57 of the Workers' Compensation Law.

Sincerely,

Peter Michels
Director of Compliance
